**PETITIONING THE COURT**

**To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 11/2/2012.**

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

- |   |  |
|---|--|
| 4 | <b><u>Special Condition # 17:</u></b> You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances. |
|---|--|

**Supporting Evidence:** Ralph Davis Jr. is considered in violation of his period of supervised release by using a controlled substance, methamphetamine, on or prior to June 20, 2013.

The defendant reported to the probation office and was requested to give a urine sample for testing. The defendant initially denied any use and the sample was sent into the lab for confirmation. He later admitted to using methamphetamine and apologized for not just admitting to the use. The sample was confirmed positive.
